

Ground Rules

1. We do Connection Time every day!
 - Unless something big comes up and then we reschedule it right away.
2. Connection Time must be an activity we can complete in 10 minutes or one that we can work on each day.
3. When the timer goes off, Connection Time is over for that day. Don't worry though, we will do it again tomorrow!
4. We don't interrupt a sibling's time.
 - If you interrupt, you'll lose some of your time or sibling will get more time.
